Education

St. Anthony high school — Sirsi, Karnataka
Degree in SSLC — June/July 2020
Percentage: 92

Mes Chaithanya Pu college — Sirsi, Karnataka
Degree in PUC — April 2022
Percentage: 91.33

SDM College of Engineering and Technology — Dharwad, Karnataka
Degree in BE — June/July 2026
CGPA: 9.22

Projects

Sign Language Detection System| *Python, OpenCV, Media-Pipe, TensorFlow (Bi-LSTM)*

- Developed a real-time sign language detection system using computer vision and deep learning techniques.
- Built a web-based system that captures hand gestures through a live camera feed and converts sign language movements into meaningful words in real time, making interaction simple and user-friendly.

Voting Registration through Face Recognition| *Html, CSS, Java-Script, Node-JS, MongoDB*

- Developed a web application using with Html, CSS, Java-script with Node-JS as backend.
- Vote-Secure is a web-based voting management system that integrates facial recognition technology to enhance security, streamline the voting process. Vote-Secure is designed to provide efficient, and accessible election process. It minimizes human intervention

Music player App| *Java Programming, OOPs*

- Developed a music player application as a menu-driven program using Java and object-oriented programming principles.

Technical Skills

Languages: Java, C/C++, JavaScript, HTML, CSS
Frameworks: React-JS
Platforms: Git, VS Code, Visual Studio, IntelliJ, Eclipse, Blender

Extra Curricular Activities

- Dramatics: Actively participated in drama events within college as part of a team and won prizes for performance.
- Philately and Numismatics: Pursue Philately and Numismatics as a hobby, collecting coins and stamps.
- Drawing: Enjoy drawing as a hobby, mainly Oil painting and water painting.
- Sports: Passionate about sports, especially Basketball and Table Tennis.
